

FATHOM GALLERY VENUE MANAGEMENT

Planning an event?
We'd love to help with that!

MEET THE TEAM

Meg and Emily are the venue management duo at Fathom Gallery and have 15 years combined experience working in the DC events industry (and fun fact: they've been friends since third grade!). Whether you're hosting an intimate wedding or a corporate reception, they're here to guide you through the process to ensure a seamless event. They also have the extra help from additional day-of support coordinators, event interns, and a crew of contractors that all play an important part in bringing each event to life.

FATHOM GALLERY 14TH STREET

Fathom Gallery 14th Street, the original Fathom Gallery venue, opened in 2012 and is located in the heart of Logan Circle. The space had a uniquely city feel, thanks to the exposed brick inside the gallery, the hidden gem of a rooftop in the back of the building, and the additional top floor “penthouse” lounge area.
